Os códigos dos produtos fica completo acrescentando, a cor e o acabamento respectivo.
As três primeiras letras e os quatro primeiros números definem o código genérico do produto. (Este código está definido na tabela).
Os dois digítos seguintes especificam a cor da estrutura metálica.
Os dois digítos que se lhe seguem indicam o acabamento.

Los códigos de los productos se completan añadiendo el color y el acabado.
Las tres letras primeras y los cuatro primeros números definen el código genérico del producto (Estre código se refleja en la tarifa).
Las dos cifras siguientes precisan el color de la estructura metálica.
Las dos cifras siguiente indican el acabado.

Les codes des produits sont complet , ajoutant la couleur et la finitiont. Les trois premier lettres et les quatre premiers numéros défini, le code genérique du produit. (Ce code est defini sûr le tarifaire).
Les deux chiffres suivant précisent la couleur de la estructure métalique.
Les deux chiffres suivant indique la finitiont.

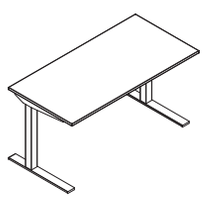

The product code is complete adding the respectiv color and finish.
The first three letters and the first four numbers define the generic code of the product. (This code is defined in table).
The second two digits specify the color of the metal structure.
