COMPONENTES
components/ componentes/ composants

A Estrutura interior em madeira. Espuma de poliuretano flexível com densidades entre 23, 26 e 60 AZ/AM kg / m_ SUPRA_CELL basic, isenta de odor com maior resiliência e eficiência.
Wooden inner frame. Flexible polyurethane foam with densities between 23, 26 and 60 AZ/AM kg / m_ SUPRA_CELL basic, odor-free with greater efficiency and resilience.
Estructura interior en madera de pino. Espuma de poliuretano flexible con densidades entre 23 y 26 AZ/AM kg / m_ SUPRA_CELL Basic, sin olor con mayor resistencia y eficacia.
Structure à l'intérieur en bois de pin. Mousse de polyuréthanne flexible avec des densités entre 40 EBR et 60 BR/PR kg / m³ SUPRA_CELL basic, sans odeur avec une meilleure résilience et efficacité.

B Terminais dos pés em nylon anti-derrapante e anti-riscos com 8mm de altura.
Non slip nylon cap 8mm height.
Terminales de los pies en nylon antideslizante y anti-arañazos con 8mm de altura.
Embouts de pied en nylon antidérapants et anti-rayures d'une hauteur de 8mm.

C Opção de eletrificação de Ø70mm com tomada e USB. (City B)
Optional electrification unit Ø70mm with socket and USB. (City B)
Opción de electrificación de Ø70mm con toma y USB. (City B)
Option d'électrification Ø70mm avec prise et USB. (City B)

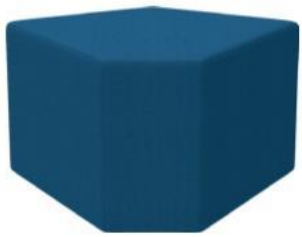

Componente de eletrificação branco ou preto
White or black electrification component
Componente de eletrificacion blanco o negro
Composant d'électrification blanc ou noir
